

Professionalization of Literacy and Basic Education – Basic Modules for Teacher Training

European partners

- Slovenian Institute for Adult Education, SIAE (Slovenia)
- National Agency for Fight Illiteracy, ANLCI (France)
- Waterford Institute of Technology, WIT (Ireland)
- Cyprus Adult Education Association, CAEA (Cyprus)
- Swiss Federation for Adult Learning, SVEB (Switzerland)
- German Institute for Adult Education, DIE (Germany)

State of the art

- Different developments within the field of Literacy and Basic Education in Europe
- Variety of standards of qualification
- Growing demand for support of learners with learning difficulties
- Insufficient knowledge of the use of Information and Communication Technologies (ICT)

Training needs

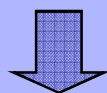

- Modular teacher training offer for teachers/ trainers

Service for research

- Explorative surveys in partner countries and other selected countries
- Current teacher training offers
- National strategies

Service for practice

- Survey on qualification approaches, trends, strategies, framework and good practices in Europe.
- Development and testing of further training modules for teachers.
- Development of a competence profile for teachers in the field of Literacy and Basic Education.

Contribution to Professionalization

- Development of a set containing 5 further training modules
- Strategies for self-reflection and the reflection of practice
